

Ontario Neon
303 W. Main Street
Ontario, CA 91762

Dear Corey:

This is a brief letter to thank you for your prompt service and hard work. Throughout our lengthy relationship, Ontario Neon has been a constant example of dependability to us. Your signs are not only produced to our demanding standards, but always installed within our demanding deadlines. Your installation crews are well-trained, efficient and operate well with other trades.

We at Wendy's believe that our signs are a very important part of our marketing plan and consider Ontario Neon a valued partner. Please feel free to use us as a reference for your company and should the occasion arise that we might recommend you to other companies, we will certainly be happy to do so.

Thanks again,
